

Game Cryptid

A site for exploring reviews on niche games that users may not have heard of.

Game Cryptid offers an easy way to explore reviews on niche, oft unheard of games. Reviews of these games are displayed in an easy to reach manner, allowing for users to find games by recent releases and by genre. Game reviews can also be displayed by similarity to popular games. This allows users to explore according to their preferences, as well as to find new gems worth experiencing.
